

# MERCURY IN RETROGRADE

by Katie McLaughlin... inspired by Fatimah Asghar

time warps,

ripping

up the way you  
see the sky.

You cannot tame me,  
cannot pump me with your breath  
y o u r o x y g e n .  
y o u r o x y g e n .

Good luck  
moisturizing  
my radiation  
damaged skin  
looks like I went tanning  
too many times with your mom  
t i m e s

## CHAOS

like a motherfucker
